Our programme includes store collections and various events across the area and you all are **most** welcome to come along. You are always partnered with an experienced Hearing Dog person for a maximum of two hours - so do have a look at our planned dates for this summer, and let us know if you would like to join in.

Perhaps you would like to become a member of the South Hants Branch?

As a South Hants member, your details will be added to our Supporter's database, you will receive a Hearing Dog badge, the national Hearing Dog magazine 'Favour', together with our South Hants 'Hearing Mates' magazine and regular updates of local Hearing Dog events.

If you are already a South Hants member, just complete a form each year and return to the membership secretary, to ensure your details are up to date.

South Hampshire Branch are mainly concerned with Fundraising for Hearing Dogs for Deaf People, which also helps to spread the word about the Charity to the public at large.

The volunteers, who form the Charity's branch support network, are an essential part of Hearing Dogs. They raise valuable funds, inspire local support and sow the seeds which will generate income from other sources. Our present success could not have been achieved without these willing people.

Members of the branch consist of Hearing Dog Recipients, Puppy Socialisers, Volunteers and Supporters.

All members attend many events and hold collection days throughout the year at various venues within the local area. These efforts are to raise the much needed funds towards the cost of training puppies that are required for deaf and hard of hearing people who need help and support from these very clever dogs.

We are always looking for more people, who could spare a couple of hours a month, to join our dedicated group. So if you feel able to help in any way with support for Hearing Dogs do please contact Membership Secretary, Chris Seward, details overleaf.

Your help, however small is always greatly appreciated by the Deaf or hard of hearing recipients of the dogs who are trained to help them.

Overleaf is a list with details of activities arranged for the year.
